TELECOMMUNICATIONS SERVICES FOR COIN	)	95-496
PHONES, INC., DBA INDICOM	)	

O R D E R

On November 15, 1995, Coin Phones, Inc., d/b/a Indicom ("Indicom") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Indicom is an Indiana corporation proposing to resell the services of carriers currently certified within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. Indicom does not seek authority to provide operator-assisted telecommunications services.

Indicom employs no intrastate transmission or reception telecommunications equipment or facilities in the performance of its services, and all intrastate facilities, equipment, and networking will be provided by the underlying carrier. Indicom will not construct any new facilities in the Commonwealth of Kentucky.

The information provided by Indicom demonstrates its financial, managerial, and technical capability to provide intrastate, long-distance telecommunications service. The proposed

rates filed November 15, 1995 should be approved as the fair, just and reasonable rates to be charged.

In Administrative Case No. 306,<sup>1</sup> the Commission stated the importance of eliminating possible customer confusion arising from the name of the billing service, rather than the name of the provider of telecommunications services, appearing on the bill. Accordingly, Indicom should ensure that its name appears prominently on all bills issued to customers for services rendered by it.

The Commission, having considered the application, the information provided by Indicom, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Indicom be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Indicom shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>2</sup>

3. Indicom shall ensure that its name appears prominently on all bills issued to customers for services rendered by it.

4. Indicom's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and in Indicom's application.

<sup>2</sup> Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality.

5. The rates and charges proposed by Indicom are hereby approved as filed on November 15, 1995 and January 24, 1996.

6. Within 30 days from the date of this Order, Indicom shall file its tariff sheets in accordance with 807 KAR 5:011.
